Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a classic Omega Geneve watch in solid 9ct gold with black satin dial. It has a calibre 562 fully automatic movement with date, one of Omegas most reliable movements. The dial is in mint condition having been fully restored. It measures 34mm in diameter excluding the winding crown. It has Birmingham 9ct gold hallmarks for 1962. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. We offer a highly personalised and bespoke service. If you would like to buy or reserve this watch please telephone us on 01726 813155 or email foweyshop@gmail.com. We can then discuss strap options, delivery dates and other personal...
