Art Nouveau Copper Indoor Planter / Jardiniere

Price

Sold**Item Reference: SA1066971****Date of manufacture: 1900**

Description

Attractive Antique Art Nouveau Edwardian Period Solid Copper Embossed Planter / Jardiniere Good medium size. Condition: Some little dints around the top section and a few small depressions to the lower body. No major bends or anything that spoils the overall look. It has been cleaned and polished but still retains some patina and a pleasing aged appearance. Watertight. Impressed to the base with the maker's mark for William Soutter & Sons, Birmingham, see final photo. Measurements: Height: 16.75cm Diameter of top rim (external): 21.25cm Diameter of base (external): 15cm Weight: 598g

Internal Ref: 1307
