Description

An exceptional, fine and impressive set of four antique George V English sterling silver and cabochon hardstone Arts and Crafts style napkin rings made by Guild of Handicraft; part of our Arts and Crafts silverware collection. These exceptional antique napkin rings, in sterling silver, have a plain cylindrical form. These antique napkin rings have a subtle planished finish with plain applied moulded borders to the rims. The anterior of each napkin ring is embellished with a collet set cabochon cut gem. These exceptional Arts and Crafts silver napkin rings were crafted by the renowned silversmiths Guild of Handicraft; also known as Hart Gold & Silversmiths. Condition These antique gem set and sterling silver napkin rings are an exceptional gauge of silver, exceptional quality and in exceptional condition. Full hallmarks struck to the reverse surface of each napkin ring are very clear. Reflections in photographs may detract from the true representation of this exceptional set of 4 sterling silver napkin rings.
