Description

A very pretty Edwardian pendant with a cute spider at its heart and a teardrop dangle below. The spider and the teardrop are set with lovely aquamarine-coloured stones; they are untested and we've priced the pendant as though it is paste, as these spider pendants often are, but if it turns out to be aquamarine it's an absolutely bargain! The pendant is solid nine-carat gold, slightly rosy in colour, and we've hung it on a rolled-gold Edwardian chain so it's ready to wear. In excellent antique condition. Size: The pendant is 3.7cm top to bottom, the central circle is 2.1cm diameter. Chain length: Approx 16 inches. Weight: 3.0g total; the pendant on its own weighs approx 1.9g.
