Description

A neat set of four early 19th century antique ash and elm Windsor chairs. The antique Windsor chairs have a hoop and stick backrest, with a decorative pierced central splat. The 19th century chairs have shaped and figured elm seats, raised on four turned baluster legs with 'H' stretcher supports. Beautiful colour and grain throughout. A particularly lovely set of near matching antique armchairs. Item Ref; M-5342 . DIMENSIONS: Height - 93cm / Width - 60.5cm / Depth - 57.5cm / Seat Height - 45cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the seats, back and legs. There is also some fading to the arms and splits to two of the seats. All chairs are structurally strong and solid.. There is some historic woodworm to the backrest of one chair (pictured), however this is now long gone and has been treated as a precaution. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of th...
