Dimensions

Height = 31 cm (12.2")

Width = 15 cm (5.9")

Depth = 15 cm (5.9")

Description

An original Pullman lamp from circa 1910-20 in very good condition. We have other different size original Pullmans in stock and will put them online soon, please ask if you'd like to see the photographs. This Pullman lamp measures 30.5cm to the top of the lamp holder and the feet are approximately 14.5cm apart. It requires rewiring and the price reflects this. Pullmans were made with a hole in one foot as some were attached to a table in a Pullman Carriage either on a train or ship. This lamp has had it professionally filled in many years ago. See photo 4. Postage and packing within the UK mainland is included in the price and for outside areas or delivery abroad, please contact us for a quote. Thank you.

Internal Ref: 1850
