Description

This Old Sheffield Plated oval tray has very rare wirework edging. Bearing no makers mark but dating to c1790-1800. With blank cartouches and standing on four bun feet. Of substantial proportions. The condition is very good overall with slight copper bleed to the raised edges and one tiny patch to the surface. An old repair to the lower rim and one strut has become detached (see photograph), otherwise still a very useable object. Measures approx 48cm x 29cm. Height approx 9cm at highest point. Weight approx 1.4kg
