Description

An exceptional, fine and impressive pearl, 2.02 carat sapphire and 4.95 carat diamond, 18 carat yellow gold and silver set brooch; part of our diverse antique Edwardian brooch and estate jewelry collections. This stunning, fine and impressive antique Edwardian brooch has been crafted in 18ct yellow gold and silver set. The interlacing design is ornamented to the centre with an impressive feature pearl at the centre of a yellow gold toroid-shaped setting ornamented with twelve channel set square faceted cut sapphires, totalling 2.02cts. The central arrangement is further embellished with two intertwining loops, modelled in the form of festoons and ornamented with fifty impressive pavé set Old European cut diamonds, totalling 4.95cts and completing the design. This antique brooch secures to the reverse with a hinged pin and sheath fastening; this replacement pin incorporates a strengthening bracket to the reverse of the brooch for enhanced security. This antique sapphire brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18ct yellow gold and silver. The brooch is supplied with an IDGL diamond and gemstone gradin...
