Description

A beautiful and quite unusual antique mahogany leather top occasional table. This was made in England, we would date it to around the 1920-30's. It is of superb quality and has a lovely clover shaped design to the top. The top has an inset burgundy leather surface with gold tooling on the edges, and is surrounded by mahogany cross banding. This sits on a beautifully curved tripod base with sabre shaped legs, there are fine quality brass lions head mounts on the sides. We have had this re-polished, it is in excellent condition for its age, with just some extremely minor wear remaining here and there beneath the polish. Width – 30 inches , 76 cm Depth – 30 inches , 76 cm Height – 29 inches , 74 cm
