Description

Outstanding International Watch Company gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It has the legendary IWC in house calibre 8531 fully automatic Chronometer grade movement regarded as one of the finest automatics ever made and known as the "watchmakers watch" as you can see is in superb condition. The rare Pie Pan dial is in mint condition having just been professionally restored. The Pie Pan versions of this 8531 are exceedingly rare. It has its original crown with the IWC fish symbol. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 34mm in diameter not including the crown. It will be supplied with a leather strap of any colour or style you prefer, we keep most things in stock. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous.
