Description

Pair of Single Mahogany Bed Frames by Heal's of London * English circa 1900 * Bespoke bedframes for Heal's of London * Mahogany * Upholstered in Velvet * All Original and complete * Vitruvian Scrolls, Laurel leaf and detailed lion's paw decoration * Inside Measurements W: 91.5cm (36") L: 195cm (76.8") * Head Height: 102cm (40.2") Foot height: 70cm (27.6") * H: 102 cm (40.2") W: 217cm (85.4") D: 102cm (40.2") These truly timeless antique mahogany bed frames by Heal & Son are not only functional but also pieces of art and represent a blend of craftsmanship, historical context, and aesthetic sensibility. Each antique piece has its own unique story, and it's exciting to imagine the history behind these Heal's of London mahogany bed frames. The fact that these bed frames are "all original" is significant. It means they haven't undergone major alterations or restorations. There is often a real value to original condition in bespoke items because they retain their historical integrity. The presence of a Heal's makers label indicates authenticity and provides a direct link to the renowned furniture company. It's like having a signature from the craftsmen themselves....
