Description

A charming antique 19th century oak lowboy. The antique oak lowboy has a rectangular shaped surface top, with an arrangement of three drawers below, each with brass back plates and drop handles. The antique oak lowboy table has a decorative shaped front apron, raised on four cabriole legs. An attractive colour and patina throughout. Item Ref; M-5370 . DIMENSIONS: Height - 71.5cm / Width - 80.5cm / Depth - 50.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the top, sides, front and legs. To the back as exposed dovetail joints and historic nail marks (pictured). There is significant staining and fading to the surface top, however, this does not affect the overall integrity of the oak lowboy. A great example.
