Description

This is an antique entrance boot scraper. An English, cast iron doorway shoe cleaner, dating to the Georgian period, circa 1800. Generously sized scraper with a delightful appearance. Displaying a desirable aged patina and in very good order. Cast iron form presents a good, consistent graphite finish. Substantial in the hand at a weight of 7.36kg (16.22 lb). Set upon a pair of turned balusters, the generous scraper with a width of 20cm (7.75") Oval form to the drip tray with a stout, tiered edge - replete with four mounting holes. This is an attractive and nicely proportioned antique entrance boot scraper, with a fine Georgian appeal. Delivered ready for the doorway.
