Description

Technical Description An exceptional 18th century toastmaster glass dating to c1760. It has a heavily deceptive round funnel bowl above a double series opaque twist stem consisting of a pair of 7-ply spiral bands outside two pairs of spiral tapes. Dommed foot. Toastmaster glasses were made to hold much less fluid, thus the toastmaster at the head of the table didn't get drunk. Finding an example with a domed foot is exceptional. Date & Origin England, C1760. Period of George III. Condition Excellent, no chips cracks or restoration Dimensions Height: 16cm Rim diameter: 5cm Foot diameter: 6.8cm
