Description

An early 20th century Islamic occasional table with extensive chip carved and inlaid decoration featuring bone and mother of pearl. Beautifully imperfect, the table has been well loved and pieces of inlay have been replaced over the years with a mixture of materials, but all combining to provide a very attractive aesthetic. Very good overall condition, structurally all sound with lots of interesting aged surface wear and a good all round patina. Early 20th century. H: 59 W: 44 D: 44 cm
