Description

A magnificent, stunning, fine and impressive antique Victorian 12.76ct diamond and 9 carat yellow gold, silver set brooch; part of our diverse antique Victorian diamond brooch collection. This magnificent, fine and impressive antique diamond brooch has been crafted in 9ct yellow gold with a silver setting. The pierced decorated setting displays a central feature 1.55ct claw set Old European cut diamond, encircled by eight claw set Old European cut diamonds, forming a central cluster design. This cluster is framed by eight impressive and imposing feature Old European cut diamonds, ranging from 0.70ct to 0.88ct, each encompassed with conjoined paralleling curvilinear borders incorporating pavé set diamonds, in a combination of Old European and Dutch cuts, completing the symmetrical design. This floral brooch secures to the reverse with a 9ct yellow gold hinged pin and clasp. This antique Victorian diamond cluster brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold and silver; as to be expected with the period of the piece. This stunning brooch is supplied with nine IDGL diamond grading report certifi...
