Description

A lovely antique early 19th century Welsh oak armchair. The Welsh oak armchair has a tapered backrest with a moulded top rail over moulded slats and a double back stretcher divided by turned supports. The Welsh oak armchair has open arms, raised on shaped supports with neat scallop to the bottom. Raised on four straight legs with straight stretchers. A great example. Item Ref; M-5367 . DIMENSIONS: Height - 92.5cm / Width - 61.5cm / Depth - 48.5cm / Seat Height - 41cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the back, seat, and arms. There is staining and fading to the seat as well as some wear to the stretcher supports (pictured), however this does not affect the overall integrity of the piece. A lovely example of an antique early 19th century welsh oak armchair. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home.
