Description

A truly stylish silver plated ice bucket just back from our silversmith's workshop where it has been overhauled, professionally cleaned and polished, restoring it to it's former glory. Created in a simple octagonal shape with a swing handle and also retaining the original drainer which sits in the base creating a reservoir for water to collect at the bottom. Fully marked for "Ravinet D'Enfert", the silversmith is well renowned for producing silver pieces for the world renowned fashion house of Hermès; a testament to the high quality of their work. Superb condition measuring 5 1/4" x 5 1/4" x 6" (excluding handle). Ravinet Denfert History : The company founded in 1845 by E. Tonnelier was acquired in 1882 by Louis Ravinet (1854-1925). In 1891, Charles d'Enfert (1865-1960) entered into a partnership with Louis Ravinet and the company took the denomination of Ravinet d'Enfert. Ravinet d'Enfert has been located in Paris for more than a century at the Hotel de Caumartin, 83 rue du Temple in the « Marais ». The company was specialized in production of silver forks and spoons and silverware in general. For silverplated items, nickel silver models were manufactured in th...
