Pair of Georgian column style lamps

Price

Sold

Item Reference: SA1069699

Date of manufacture: 19th Century

Dimensions

Height = 58.5 cm (23.0")

Width = 17 cm (6.7")

Description

Very decorative pair of Georgian column style lamps on raised square bases with twin boxwood stringing. I have shown the lamps with a pair of French drum shades (16 inch diameter) just as examples, so they are not included! Both lamps have been rewired and have a valid PAT test certificate. Measuring: 23 inches or 58.5 cm to the top of the bulb holder 6 3/4 inches or 17cm square bases Delivery for these lamps would be £30 mainland UK
