We provide excellent rug underlay included in the price of any of our rugs, which aids to keep the rug flat and secure on the floor. It also provides more durability to a rug and helps it from getting more wear, as your foot is evenly planted on the rug when walking upon it. We offer the service of viewing any of our carpets & rugs in-situ in London, Surrey, Hampshire the UK & Europe by appointment. Request a home visit or contact us to see this rug at home.
