This wonderful VICTORIAN MAJOLICA CHEESE DOME dates from circa 1880. It is decorated with large, green leaves set within yellow rope archways against the most attractive lilac ground. The condition is good. There is no restoration. There is a small, old, surface chip to the inner edge of the stand and the Knob has been reglued with hardly any loss. An unusual three-colour combination which works very well. Height: 9.5 inches (24 cm) Diameter of Base: 11 inches (28 cm) Express delivery within the UK is included.
