Depth = 54 cm (21.3")

Description

This is a stunning early 20th century solid oak Dutch cupboard. Three doors that open independently and all come with original keys and working locks. They reveal fixed shelving and two small cutlery style drawers. The whole piece is very heavy but can be taken apart if needs me. The bold geometric design will sit well in a huge number of interiors and the overall condition is very clean. The top is also finished as well. Height 156cm Width 225cm Depth 54cm Price includes UK mainland delivery
