Description

A beautiful, large and impressive antique landscape oil painting, this dates from around the 19th century. It depicts a lovely countryside scene of a water mill. It is very well executed, with lovely details and gorgeous, subtle colour tones. It is in excellent condition for its age, there is no damage to the painting and it is signed : J. Marow. The gilt wood frame looks to be original, it is also antique and of extremely fine quality. There is an old label on the back with German writing, so this was likely made in Germany.
