Antique Double Turn Scales for Sovereigns & Guineas

Price

Sold**Item Reference: SA1070444****Date of manufacture: Georgian**

Description

An interesting mahogany boxed travelling scales made by Stephen Houghton & Son, Ormskirk, successors to A Wilkinsons. A mahogany boxed folding double turn sovereign and guinea scales in full working order. These are double turn scales meaning that have split weights to enable sovereigns, half sovereigns, guinea and half guineas to be weighed. The interior of the box still retains the majority of its paper labels with instructions on how to use the scales. This one differs from most because it has a split weight. C 1820 It measures 26cm l when open and 13cm l when closed. Postage £6 UK and £20 outside the UK
