Description

A high quality 8 day mahogany and brass inlaid bracket clock, by James Ritchie & Son, Edinburgh c.1837 (William IV) striking the hours on a single bell with additional alarm feature. The clock also has a mahogany wall bracket so the clock can be wall mounted if desired. The high quality case veneered in beautifully figured flame mahogany, inlaid with brass decoration to the front and to the canted side mouldings, terminating with brass capitals. The elegantly shaped sweeping pagoda style top with finely carved decoration to the centre. Cast brass silk lined fishscale frets to the sides. the brass inlaid moulded plinth terminating on four turned bun feet. A fine quality triple support mahogany wall bracket with fine quality carving. The beautifully executed silvered and engraved brass dial of pagoda shape with roman numeral chapter ring, signed Jas Ritchie & Son Edinburgh. The whole dial surrounded by a silvered cast brass frame. Alarm setting aperture to the centre of the dial above the VI. The fully restored high quality twin fusee movement of eight day duration, united by five knopped pillars, with the original anchor escapement and striking the hours on a single be...
