## Description

Gents 1960s Wittnauer automatic wrist watch. The watch has a 17-jewel automatic movement, calibre C11KAS1, which is working nicely. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition. The inside of the case back is signed with the Wittnauer name, and it also has the calibre reference C11KAS1. The lens is in good condition (reflection showing in the photos). The signed dial is in its original finish with original hands and quickset date (initially set by repeatedly pushing the button). A new leather strap has been fitted. The watch comes in a new presentation box.
