Dimensions

Height = 27.5 cm (10.8")

Width = 16 cm (6.3")

Depth = 13.5 cm (5.3")

Description

A very well presented French four glass mantle clock by the renowned maker, Samuel Marti. The movement impressed with his stamp and of eight day duration, striking the full hours and half hours on a blued steel gong, giving a very pleasant chime. This fine piece would have cost more than other clocks of this type, as shown by the cast centre of the dial and a very heavy bob pendulum.
