Description

A very smart and unusual marble mantel clock adorned with a ceramic, very well cast and appealing elephant to the top. It has a stepped, architectural form and is in beautiful condition. It is slightly greener in colour than our pictures depict. The 8 day movement strikes on a bell on the half-hour and the hour. It has just been fully overhauled by our Bhi registered horologist and carries our usual 12mth full parts and labour guarantee. The 4" white enamelled dial has black Arabic numerals with a gilt centre. Also a lovely gilt bezel and surround. It is totally free of any chips, cracks or crazing. The clock stands on swept, gilt bracket feet. A lovely looking and unusual clock. All cards accepted.
