Description

Indulge in the timeless sophistication of this antique 20th-century single pedestal desk, meticulously crafted from luxurious walnut and boasting exceptional quality. This stunning piece seamlessly blends functionality with vintage elegance, making it an ideal addition to any classic interior. Adorned with exquisite reeded decoration, this desk exudes refinement and style. The walnut wood showcases a beautiful grain and rich colour, enhancing the desk's overall beauty and character. Featuring four drawers to the left-hand side and a singular drawer to the right, this desk offers ample storage space for all your office essentials. Each drawer retains its original brass handles, adding to the piece's authenticity and historic charm. Standing on elegant turned feet, this desk ensures both stability and sophistication. Its excellent quality construction and great condition make it a versatile and enduring piece for any home office or study. Don't miss the opportunity to make this exquisite 20th-century walnut pedestal desk yours and infuse your workspace with the enduring elegance of bygone eras. Product Reference : AF - 3348
