Description

An interesting long case clock with a rocking ship to the arch activated by the beat of the pendulum with subsidiary dials, for seconds, and the date of the month inscribed, Wm Randall Wareham. This clock is very well presented with a completely refurbished case, enabling it to last for another 200 years. The very unusual, rocking ship. Gives a Very interesting, and calming sound. Complete with a brass Bob, pendulum and brass sheathed weights. For other Clocks of interest, please visit our website. www.frankcraigantiques.com
