## Description

A good quality set of silver salts with spoons in their original fitted case. The salt dishes are elegant with a curved shape and reeded detail. The four spoons do not all match but are all silver. Each salt dish is individually hallmarked for Birmingham 1894, M Bros. The total weight of silver is approximately 56g. Every piece is in good condition. There are some minor signs of age and use, a few faint surface marks and minor dinks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The box is good quality with a silk lining and fitted velvet base. There are some minor marks inside the box and some small scuffs around the outside but nothing major and it displays well.
