Great care is taken with packing and a private courier service is used. We sell mechanical watches and clocks as working functioning time pieces, rather than simply an antique or collectable object. The clocks or watches will need a few days to settle following transit. Antique movements are fragile and can easily be damaged due to mishandling or dropping. We do not accept returns where there has been physical damage or the movement has been interfered with, altered, or taken apart. If your watch/clock or other antique item arrives damaged following transit, these exclusions are irrelevant, but you must notify us immediately within 24hours of receiving the item if this is the case. All items are sold as seen.
