Description

Original Antique "PHILLIPS & SON" Fully Restored Luxury safe. A rare Phillips safe in a stunning fully restored working condition. We bring to you this very rare excellent condition "Phillips" patent steel safe made by the maker Phillips & Son Lock and Safe Co LTD of Birmingham in around C1930. This fantastic quality and very secure safe is truly a museum piece and has had no expense spared in its 'nut & bolt' full restoration completely carried out in house by Lincoln Restorations. This beautiful safe features its Green highly glazed polished paintwork complemented by its very ornate hand painted double gloss white coach lines which flow into its ornate geometric corner design which elegantly frames the door. The safe features single stage paintwork meaning the paint is polished and not lacquered exactly as the safe would have been when new. The safe has then additionally been skilfully sign-written with the makers name and the date of establishment. This safe has been fully restored from bare metal, having been stripped and finished to ensure the highest quality refurbishment possible and the lovely original brass-work has then been restored and highly polished.
