Description

A good quality and very decorative oil painting on board of Broughton-Under-Blean Church. It is signed and dated F.Baker 1869 and has lots of information on the rear of the painting about its history and ownership. The painting has a naive charm but is also very detailed and well executed. It is framed in its original gilt frame. There are some small knocks and minor losses around the frame and it has been repainted at some point but it displays well. The painting is in good original condition. There are some small signs of age but no major damages. The painting has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £20
