Description

Very decorative pair of satin birch Biedermeier style open armchairs, circa 1920. Fabulous shape with the tub style back rail. The satin birch contrasting well with the black highlights to the carvings and mouldings. Really super pair of armchairs, a good size and comfortable with them being recently upholstered. Good solid condition and although the upholstery isn't new, it is in good condition, some slight scarring to the rear of one of the chairs back rails. No problem if you would rather have them reupholstered obviously! Measuring: H: 35.5" / 90cm W: 24" / 61cm D: 24" / 61cm Seat height: 18" / 46cm
