Description

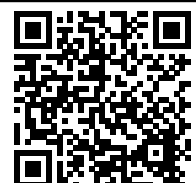

Here we have for sale today this excellent Charles II and later Lowboy. Dating 1670 ish and later, and all made in a mixture of Elm and Oak. All made in this joint and peg construction with turned legs and a stretcher arrangement, with a single drawer, (drawer having this replacement Period brass handle) also this moulded edge top, with carvings to the top and drawer front. The majority having its original polish and patina, although we've had to tidy up the top to remove some water marks, this was unavoidable and needed to be done. (please see pictures) Solid in all its joints with NO breaks and NO woodworm.
