Description

An elegant mid 19th century work table of exceptional form, in the William IV style. The lift up top opens to a beautifully refitted interior with a plush cushioned panel, large storage area and various small divided compartments. An attractive carved motif to the front sits above the bulbous baluster pedestal leading to the quatrefoil base terminating hidden original brass castors. Very good condition, structurally all in good order with some attractive aged colour and surface wear and some minor repairs to the rosewood veneer. English, mid 19th century. H: 68 W: 51 D: 38 cm
