Description

A good quality nine-carat gold chain bracelet with an alternating pattern of links and a heart shaped padlock clasp. A timeless classic piece of jewellery. Like most of these bracelets, the chain will have been made from an old Victorian-Edwardian watch chain, with the padlock clasp added later. The padlock and safety chain are rendered in pure nine carat yellow gold, while the bracelet itself is of a slightly rosier colour. The padlock is hallmarked for Birmingham 1961, while the chain is stamped 9.375 (nine-carat gold) in several places. In excellent antique/vintage condition. The padlock clicks shut and opens as it should, with a fine safety chain for additional security. Length: Approximately seven and a half inches (19cm). Width: Approx 4mm. Padlock size: Approx 2 x 1.3cm. Weight: 13.2g. FREE INTERNATIONAL SHIPPING!
