

SA1072763

128 x 282cm Antique Lenkoran carpet, The Caucasus

Price

Sold

Item Reference: SA1072763

Date of manufacture: 1890

Dimensions

Height = 282 cm (111.0")

Width = 128 cm (50.4")

Description

Late 19th century Caucasian carpet with all natural dyes. The black field has heavily corroded revealing the foundation and has been naively restored in places. Still, thanks to these efforts the rug is in one piece and useable in a low traffic room. The beautiful colours and symbolic designs are surely still relevant, even in a modern interior. 4'3" x 9'3"
