Description

An unusual solid silver Indian box. It is made from silver rupee coins dated 1916, most likely made around that time. It has been superbly designed so that it looks like a stack of coins. It is in super condition being free from dings splits holes and repairs. It measures approx. 1.25 inches (3.2cm) across by 0.75 inch (1.9cm) tall and weighs 44 grams. A superbly designed interesting piece.
