Description

A lovely pine chest of drawers dating from late 19th Century. The pine has a nice warm colour and a smooth waxed finish. Each drawer has a turned wooden knob and it stands on bun feet with an attractive shaped apron. It is a good large size offering plenty of storage. They are in very good condition for their age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks, minor knocks and a few old splits but nothing detrimental. There are some minor signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. They have been cleaned and given a gentle wax and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
