## Description

A good example of an early 20th Century Chinoiserie design table lamp in an unusual and striking green colour with hand painted gilt flowers. The lamp stands on a round foot with four small bun feet below. It has been rewired to modern standards to take a standard bayonet bulb and is in working order with a valid PAT test. The lamp is in good condition with some minor signs of age and use, some losses and wear to the paint in places and a small split but nothing detrimental or untoward. It is strong and sturdy and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
