Description

Introducing an antique quality early 19th Century mahogany writing table, versatile as a desk or dressing table, featuring a classical Georgian design. With charming age and character, having witnessed around 8 generations of life, this piece showcases a unique patina. Free from loose joints or woodworm, it emanates allure as a rare find. The drawers glide smoothly, offering convenient storage. Measuring 91cm wide, 49cm in depth, and standing at a height of 75cm (with a knee hole measuring 57cm - 59cm), this adaptable piece suits various spaces. In good antique condition, it displays minor historic knocks, marks, cracks, repairs, wear, imperfections, and alterations. A few historic extinct woodworm holes (nothing significant) have been treated for good measure. There is an historic burn about half way up the rear leg (we would be happy to restore this FOC before dispatch). Identified by stock number 8581, this item is supported by a 30-day, no-questions-asked money-back guarantee. Take advantage of competitive shipping rates for both domestic and overseas destinations, ensuring prompt door-to-door service.
