Description

A good example of a small gilt table lamp, dating from the early to mid 20th century. It is a very decorative piece with a lovely aged patina. It is in good condition. There are some minor areas of wear and signs of age and use but nothing detrimental and it displays well. It has been PAT tested and rewired to modern standards to take a standard bayonet bulb. Approximate Dimensions Height : 11 1/2" (29 cm) Base Diameter : 4 3/4" (12 cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
