Description

A charming early 19th century George III mahogany fold over tea table raised on particularly attractive ring turned legs, with the rear legs extending back to support the tabletop when open. Very good condition, structurally all in good order with just some beautiful aged surface wear and excellent patina. There is evidence of very old long gone woodworm to the back panel due to it being made of a softer wood which is quite common. English, early 19th century. Closed - H: 72 W: 84 D: 42 cm Open - H: 70 W: 84 D: 84 cm
