Dimensions

Height = 75 cm (29.5")

Width = 138 cm (54.3")

Depth = 138 cm (54.3")

Description

This is an exceptional quality early 19th century Regency period flame mahogany centre table. The flame mahogany sectional design is stunning and a testament to the crafts person who made this. But what stands this apart from the rest is the band of what I believe is maple around the circumference of the table. Clean original condition with a smooth flip top movement and brass handle locking system. Height 75cm Diameter 138cm Price includes UK mainland delivery

Internal Ref: SKU00002007
