Description

A good harlequin set of three early 20th century tavern stools. The stools are each slightly different but all have similar features, in particular the bulbous ring turned legs. The stools all have different finishes but with the common features this makes for a particularly nice effect. Very good condition, all structurally sound with some light aged surface wear. English, early 20th century. H: 46-48 W: 30-33 D: 30-33 cm
