Description

A superb pair of antique Victorian mahogany bedside chests. They were made in England, and date from around the 1860-1880 period. The quality is outstanding, they are a great size and have lots of storage space. The mahogany has a gorgeous colour tone and patina, they stand on plinth bases and have lovely turned mahogany handles. We have had them re-polished, the condition is excellent for their age. There is just some normal historical wear here and there beneath the polish. Width – 16 inches , 40 cm Depth – 16 inches , 40 cm Height – 34 inches , 87 cm
