It's beautifully elegant and with the most glorious geometric shape, one that can't be mistaken for any other era. Features clear frosted glass body which has a stepped plinth, side fins with jet black & vivid blue enamel decoration. Made in the Czech Republic, original vintage etched enamel artwork. Decorated both sides, displays beautifully and will certainly make an impact in any Deco setting. Pure class. The whole vase is heavy and the glass itself quite thick showing real signs of quality.
