Description

This is a super quality, large Moonstone Opaline glass pendant light in excellent condition dating from around 1890. The heavy quality solid brass fittings are all the original, including the ceiling rose which matches the design and is rarely found with these lamps. This pendant lamp, although not stamped is very much the style and quality of the Jefferson lighting company. This has been fully rewired and PAT tested so is ready to be fitted in the home where it's size and design will give a great impact and tasteful decorative appearance. The glass shade is 26 cms in diameter and this measures 80 cms in height overall with the ceiling rose being 14 cms in diameter. UK insured packing and delivery is £20
